1. Draft NDP – Policies (drafted by GB)

Steering group went through the policies drafted by GB and agreed that they could not determine where they had come from. They bore no relation to the views expressed in the questionnaire or in any of the evidence collected to date.

At one point, another Parish was referred to, leading the group to believe that this was a poorly adjusted 'copy' taken from another Parish.

Action:

Immediate meeting to be called with Rebecca Verhaeg (Ridge Consultant) to discuss a change in direction.

Meeting ended: 8:15pm

Minutes: Laura Bromberg
